

Tobra Reusable Face Mask

Protection and Comfort

Made in the USA

FEATURES

- Soft, 3ply cotton fabric
- Antimicrobial finish that contains silver and copper
- Reusable. Machine washability tested up to 15 times before discarding. Tumble dry high.

Stop the spread for you, your employees and customers.

This face mask is one way to combat the virus. Social distancing, hand washing and other CDC recommendations should also be followed.

This face covering does not replace the N95 used in healthcare settings and should not be used when caring for those with COVID-19.

Surgical masks provide protection against large droplets, splashes or sprays of bodily or hazardous fluids. They do not provide the wearer with reliable protection from inhaling smaller airborne particles and are not considered respiratory protection.
